

Different stages of modern man

1-Survival stage: (100% ego)

- Lack of trust
- Everything is a crisis
- works better alone
- Critical of everyone, everything.
- Lots of pain
- lots of denial

2- Stable stage: (97% to 99% ego)

- Sees some light at the end of a distant tunnel
- some trust
- needs some companionship
- some love
- less pain
- less denial

3- Worldly success stage (95% to 97% ego)

- sees the benefit of working well with others
- beginning to understand the concept of unconditional love
- becoming more giving
- more family oriented
- sees the value of fairness (win/win)
- periods of joy and bliss
- beginning to like oneself
- begins conscious questioning

4- Spiritual awakening stage (less than 95% ego)

- seeks community
- serves his/her community
- focused on the higher self
- works toward becoming totally conscious
- seeks the state of continual joy and bliss
- gives up judgement
- begins to question and release worldly values
- realizes his/her role as teacher
- unconditionally loving

5- Total enlightenment (no ego)

- Becomes a master teacher (Jesus, Mohammed, Buddha, Mother Teresa, St. Francis,etc.)
- Is in a constant state of joy and bliss
- Is the higher self
- No worldly values
